PROSPECTUS

Message

New Bright International School aims to promote an International perspective among its students. From the Very start we would encourage children to make up their Minds and thereby begin to cultivate entrepreneurial skills Enabling them in their future life to pioneer, to take risks and to accomplish. They should not be afraid 'to dare!' Quality education should aim at the holistic Development of the student i.e., the growth of intellectual, Physical, emotional and psychic powers. The teachers are Entrusted with a great responsibility of shaping the future of each child need a lot of encouragement and understanding From the teacher in bringing out their talents to a glorious height. This is true about their studies and other activities in school. This message is an attempt in this direction.

आदरणीय अभिभावकगण,

जब से मुझे यह ज्ञात हुआ है कि अपना यह क्षेत्र शिक्षा में अति पिछड़ा हुआ है। तब से ही मैंने अपने जीवन का लक्ष्य भावी पीढ़ी को शिक्षित करने का बनाया तथा सन् 2007 से एक विद्यामंदिर के माध्यम से घर-घर शिक्षा का अलख जगाते हुए मानव सेवा करने का प्रयास किया। आपके आत्मिक सहयोग की वजह से आपका अपना यह विद्यालय प्रतिवर्ष प्रगति की ओर अग्रसर है। इस संस्था में जाति, धर्म एवं क्षेत्र के भेदभाव से हटकर समस्त वर्ग के विद्यार्थियों को सद्गुण युक्त शिक्षा प्रदान की जाती है।

प्रिय बन्धुओं! मुझे विश्वास है कि आपका सहयोग प्रतिफल हमें मिलता रहेगा तथा आपके बच्चों का कठिन परिश्रम व हमारा उचित मार्गदर्शन इन्हें ऊँचाई की बुलंदियों पर पहुँचायेगा। मैं आपके व आपके बच्चों के उज्ज्वल भविष्य की कामना करता हूँ।

- " शिक्षा की जड़ कड़वी होती है पर उसका फल मीठा होता है। "

- " शिक्षा स्वतंत्रता के स्वर्णद्वार खोलने की कुंजी है। "

Message

Children are our Nation's most valuable resource, but as children they are native of the skills to protect themselves. It is our responsibility as teachers to safeguard children and to teach them the skills to be safe. I am sure that this will be an enriching and informative experience for students and staff. This message will act as a bashing experience for Students and teacher to know their talents, nature of duties, the expectations of parents who have deposited their treasures (Children). I am sure that this school is afreshing to the noble mission, will take it in the form of dimension adding to their profession. To be the epitome of excellent, stimulating, trusted and safe learning environments embedded in Indian values while creating independent thinkers who spearhead a dynamic future globally. I convey my good wishes to all who were associated to this real task of N.B.I.Sr. Sec. School.

AIMS

The school aims at developing the head, hand and heart of each and every student of the school. The overall development of the personality of the child under proper discipline is the chief aim of this school. The school aims to inculcate without caste, color & creed the sense of ideal citizenship, community life, Nationalism and an earnest desire to preserve the ancient culture of the country. Modern age is the age of science. Computer education has become the part and parcel of life. To achieve this aim well equipped computer labs along with internet facility have been provided to the students.

CURRICULUM STRUCTURE

The objectives of the school curriculum are that, it be

- **BROAD** so that introduces each student to a wide range of concepts, experience. Knowledge and skills,
 - **BALANCED** so that each area of the curriculum is allowed sufficient time for its contribution to be effective.
 - **RELEVANT** so that all subjects contribute to a sound general education, which prepares pupils for opportunities, responsibilities and experience of adult life in a rapidly changing world,
 - **DIFFERENTIATED** so that what is taught, and how it is taught, is matched to individual student, and develops their abilities and aptitudes.
- The emphasis is on providing the students with the very best value education that will stand comparison with the top colleges at the international level.

To Develop Spiritual and aesthetics Sense every day prayer and moral teaching by words and action is an essential parts of various learning activities of this for easy student and staff institution member.

FEATURES

The campus provides a healthy environment where fresh air and open spaces abound. The school houses a library, three highly developed and equipped music and dance halls, a sports hall, a modern Computer Room and a separate Nursery and Kindergarten wing with a play pen

KINDER GARTEN

It operates under the umbrella of the infant school and is a happy lively unit in which caring teachers cater to individual needs and stage of development where the strongest possible links with home are fostered, and where there are plenty of opportunities for first hand learning and cognitive growth.

The Pre- School has its own self-contained secure unit which includes a large carpeted main area as well as tiled wet areas, a kitchen, recreation room and bathroom facilities.

THE INFANT SCHOOL

Infant School begins at four years of age in Reception and continues through years One and Two. The development of the whole child is our focus in the Infant School.

Young children are active learners and therefore operate most effectively through first-hand experiences. They are encouraged to question, explore apply and test out what they know and can do. They are also encouraged to develop their ideas, understanding and language as they begin to assimilate the knowledge, concepts, and skills which will give them a basis to build on throughout their lives.

THE JUNIOR SCHOOL

Class and specialist teachers deliver the academic curriculum, which includes the following major areas: English, Mathematics, Science, Technology, History, Geography, Art, Music, Physical Education And Modern Languages, including Sanskrit.

Visiting and local experts are frequently invited to the school and excursions and field trips, which provide an extension to the curriculum, are encouraged.

THE SENIOR SCHOOL

The programme provided respects and guides individuals according to their needs, while aiming to realise potentials, foster enthusiasm for learning, develop social skills within a multi-cultural environment, and help students to interpret and develop their roles in a changing world.

Naturally, success in external examinations is regarded as a priority in this section of the school. However the "whole person" approach continues. Each pupil is encouraged to improve his self-discipline and awareness of others, not only in the classroom, but also with opportunities to travel greater distances from school for longer field trips and camps than in the primary years.

SUBJECT COMPONENTS

KEY STAGE PRIMARY AND MIDDLE :-

Class 3 to 8:- The curriculum of key stage primary and middle is delivered in subject components: English, Hindi, Mathematics, Science, Social Studies, Computer, Games, Music, Art, and Craft, Moral Science and General Knowledge. (Class VI onwards Sanskrit)

THE PERFORMING ARTS

The Visual Arts and Painting work :- The Visual Arts curriculum assumes that every student has natural artistic abilities. It is designed to develop those abilities and an appreciation and understanding of the subject, through an exploration of art, craft, and design in a wide cultural and historical context.

Children are encouraged to respond to the work of artists, craft workers and designers in a practical and imaginative way. A particular focus is placed on regional arts and impressions.

Opportunities are given to develop skills and express ideas by working with

different materials, and using a variety of techniques.

Music is developed through vocal and instrumental skills based activities and is delivered to mixed-ability groups, giving the School its characteristically energetic and outgoing musical ethos. There are plenty of opportunities for children of all ages to participate in choirs, orchestras and ensemble.

The school encourages performance from the youngest ages, in the belief that confidence achieved in this area in the early years can be built on and will develop as a student grows older.

GAMES & SKILLS

The Physical Education Curriculum is delivered throughout the School through a series of activities in which skills are developed in a continuous and progressive form. These activities are grouped into: Athletics, Drama (Hindi and English), Dance and Games: Indoor, outdoor and adventure. Students are given further opportunities to develop their skills and extend their experience in competitive team games through inter house competitions and the after school activities program. Teams are selected from training squads for participation in inter school events both locally and nationally.

EXTRA CURRICULAR ACTIVITIES

Students are given further opportunities to develop their skills and extend their experience in a variety of ways through the extra-curricular activities programme. The choice of activities and sports varies according to demand, but the following are usually included: Well equipped cricket academy, Volley Ball Court, and Handball ground, Basket Ball Court, Indoor Badminton court, Long jump, High jump, Dramatics, Dance and Music, Well Equipped Auditorium, Art and Craft, Computer club, Drama Production, Mini-Orchestra English Literature Club, Debates, Quizzes, Story enactment, Brain storming sessions etc.

P.T.M.

A close relationship between home and school benefits pupils, staff and parents and parental involvement is encouraged.

A comfortable parent's room is situated in the junior section of the school where parents can meet and chat over a cup of coffee. This can also be used as base by parents who wish to enroll in senior classes or participate in a sports activity on campus.

We have formal occasions when parents are invited to see classes in action and work on display, and to discuss their children's progress, but parents are encouraged to contact their class-teacher (infant and junior) or senior tutor (senior)

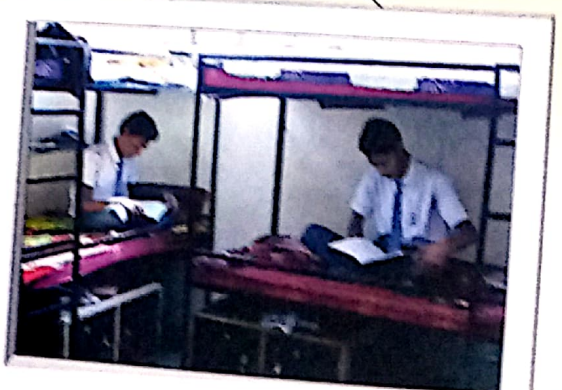

Whenever necessary to discuss any matter (social academic or physical) that concerns them

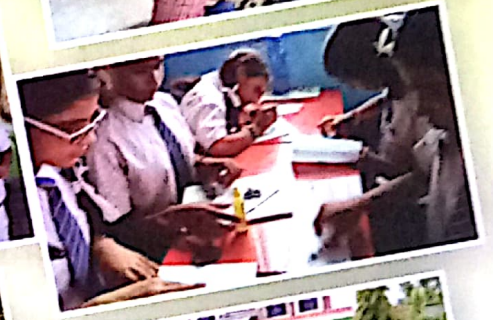

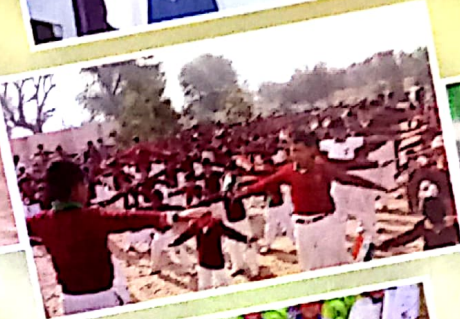

REWARD & PRIZES

For encouragement of students, school rewards the students in every field i.e. higher achievements in study, games & sports in co-curriculum activities, by cash, medals, trophies & certificates etc.

HOSTEL FACILITY

In natural and vast compound of school, here is hostel facility for both, boys and girls. In the hostel, rooms are air conditioned, including all modern facilities. We take it granted of hostler's health and hygiene, balanced diet, & full security.
